

Option 6, Washington Park

Washington Park Option

Cost: \$200,000

This option is located along an existing walkway in the Park, adjacent to the Recreation Center Building. The proposed memorials would be six granite clad squares, 42" high with a beveled top, located at regular intervals, with inset laser cut granite memorials dedicated to each branch of the Services: Army, Navy, Air Force, Marines, Coast Guard and City Employees. A prefabricated flamed granite awareness strip would be set into the existing walkway at each of the six memorials. These strips could have the name of the Service embossed into it, or have bronze lettering depicting the Service Branch, a quotation, or a poem.
